Please provide your observations on the characteristics and achievements of the applicant and comment on the suitability of the applicant for a career in research

Please use 'the applicant' rather than the person's name, s/he, or his/her. This is to avoid potential unconscious gender bias in the evaluation of applications.

Please include in the above response:

- An assessment of the applicant's suitability for the proposed research.
- Details as to why you decided to work with this particular applicant.

Please outline how in your view Career Fit PLUS fellowship under which fellows undertake mobility between countries and sectors is the appropriate step at this stage of the applicant's career

Career Fit Fellows must be able to communicate to the requisite standard through the English language

As a guide, the minimum expected level of English language competency is level C1 on the Common European Framework of Reference for Languages (CEFR) scale. Applicants are required to self-assess their English language competency in the application form. Please confirm whether the applicant meets the relevant requirement. Note: applicants not meeting this requirement are not eligible for funding under the scheme.

Host Organisation Environment.

Please provide details about the Host Organisation Environment including:

- the training and career development opportunities that will be provided to the applicant in your school, department and/or HEI/RPO, e.g. training courses.
- confirmation that the necessary resources (e.g. books, equipment) are available to progress the work.
- the assistance that the applicant will receive to help them integrate into their new environment . For example, assistance with setting up tax and social security arrangements, language courses etc.

Please provide details of discussions you have had with the Company Partner about the proposed fellowship. Please include details of previous collaborations with the Company Partner, if any, and explain how working with the Company Partner will benefit the Fellow.

Declaration Mentor

I hereby declare that I have read and accept the Academic Mentor requirements for this scheme as set out in the associated Terms and Conditions and Guide for Applicants on the Enterprise Ireland website:

Please indicate whether information provided by the applicant in the Ethical Statement section of the application is correct

Do you agree to host the applicant and mentor him/her for the entire duration of the fellowship should the applicant be successful in the competition?

I confirm that the information supplied in this mentor form is correct and recognise that should it become apparent that any of the information provided is inaccurate or unverifiable with appropriate documentation, it will result in the application automatically being deemed ineligible
